SB- Small Batch:

A small batch is comprised of a select number of barrels that are mixed to create a desired taste

SiB- Single Barrel:

A premium category of whiskey in which each individual bottle is comprised exclusively of an aged spirit from a single barrel. This barrel is usually handpicked by the master distiller

BiB- Bottled-in-Bond Act of 1897:

A mark of provenance and transparency- it must be distilled by a single distiller in a single American distillery within a single year. Then go through a four-year aging process in a federally bonded facility. Finally, must be bottled at 100-proof or 50% abv.
